

MADE IN BRITAIN  
MULTI-TURN  
— TIMBER STAIRCASES —

# IS YOUR PROJECT SUSTAINABLE?

We are now FSC® certified!

The environment is important for us at Multi-Turn, and we are considerate of the need to do our bit in ensuring its sustainability for the future. We have always sourced our timber responsibly, using suppliers with FSC® certification.

Following your valuable feedback on the importance of full chain of custody, we can now announce we have our own full FSC® certification!

Any details and certification you require is available on request. Please advise on your requirements at time of placing each order.
